Kids Who Care's Summer KidPower Leadership Opportunities

**We believe it is the combustion of the Arts and the Entrepreneur Mind
that produces Great Kids!**

Who is eligible to participate on the Summer KidPower Leadership Team?

Any student returning to camp for a second year may apply to be part of Kids Who Care's Summer KidPower Leadership Team for one or more camps. All of our camps include systems of KidPower Leadership, but the Summer KidPower Leadership Team gets to work side by side with our professionals to build an incredible summer!

If you are accepted what happens?

Students accepted into the KidPower Leadership Team will be participating in Camp PLUS; a pre-camp KidPower Leadership Intensive for all ages.

What is KidPower Leadership? Deborah Jung, Executive Director, explains:

"KidPower is our way of combining the arts with entrepreneur thinking. Our kids get hands on experience building a business team with kids from across their community and from around the world. They learn Kids Who Care's 'tribal stories', our corporate culture, and what we believe makes strong leaders. Sitting side by side with our professional staff, power is defined, goals are set, and a full action plan is designed and rehearsed before campers arrive for orientation."

What happens with the team during Camp?

Once Camp gets rolling the team is able to practice their leadership skills daily. Each morning over breakfast we look at our goals and actions with the professional team and at the end of each day we wrap up and prepare for what's next. And at the close of camp, the full KidPower Team meets with KWC's professionals to celebrate and evaluate what we accomplished! It's an incredibly powerful and life changing experience!

Exactly how many hours of Leadership experience does a KidPower Team Leader get?

Mini Musical Theatre Camp PLUS includes 15 hours of Leadership Education the week before Camp and 20 hours of Leadership Practicum during the 1 week Camp. The tuition is \$75.

June Intensive Camp PLUS includes 20 hours of Leadership Education the week before Camp and 120 hours of Leadership Practicum during the 2 week Camp. The additional tuition is \$100.

KidPower Int'l (July) Camp PLUS includes 40 hours of Leadership Education the week before Camp and 160 hours of Leadership Practicum during the 3 week Camp. The additional tuition is \$200.
