

# Costume Note

## T-shirt Color Assignments

**Class Shirt**

**Bottoms:** Black or solid color pants, shorts, skirts, skorts, or stretch denim. If you want to wear colored bottoms, they must be one of the above colors, and they must be a different color than your shirt. **NO** blue jeans – any denim must be **black**, and for dancers must be stretch material, like jeggings. Shorts or leggings must be worn under skirts.

**Shoes:** Black or solid color lace-up tennis shoes or black jazz shoes if needed. Converse in **only** the above colors or black are acceptable, and they can be the same or a different color than your shirt. **NO** ballet flats, ballet slippers, or tan jazz shoes. You may switch from tennis shoes to jazz shoes during the show if needed.

**Belts:** All shirts must be tucked in, and if there are belt loops on your bottoms, you must wear a belt. Belts can be black or any of the above colors. Our smaller performers may wear their shirts tied to one side if they're too long.

**Socks:** Socks can be hidden, but if they're seen they must be black or one of the above colors.

**Accessories:** Ladies, please wear **at least** one accessory such as a bow, headband, scarf, jewelry, etc. in any of the above colors. Boys may wear accessories if they wish, but it's not necessary. Patterned vests and over shirts are great if they can be left open where the t-shirt logo can be seen.

**Hair/Make-Up:** Hair should be off the face and look clean and brushed. Make-up should be light and fresh-looking and highlight your features. A little eyeliner and mascara goes a long way for making your eyes pop on stage or anywhere. Remember, we want you to look like kids!
