

Late Policy

KWC LATE PICK-UP POLICY

In order to honor our staff's time, KWC will implement a late pick-up fee 5 minutes following the end of camp. This applies to anyone arriving in the carpool line 5 minutes after the end of your scheduled pick-up time.

If you are not in the carpool line prior to the above mentioned time, there will be a service charge of \$10.00 for any portion of the first 10 minutes and \$5.00 for every minute after. Fees will be assessed at the discretion of the staff onsite.

A qualified staff member will remain with your child until an authorized individual arrives to pick up your child. No discussion of the issue will take place with anyone except the parent/guardian and never with the child.

Fees will be added to your account and you will receive an invoice prior to being charged.
