

# Performing Arts Camp Orientation Overview

**Camp Kick-Off | June 11th, 2022 | 5:00-6:00pm | 1300 Gendy St. 76107**

Come meet the staff, teachers, leaders, and volunteers from KWC, Bridge Arts Project, and more, that will be working with your children every day at camp. We'll also go over some important information, take your student's headshot, and give you a chance to ask questions and complete any forms.

## Camp Order Forms and Information

The following digital forms, informational PDFs, and videos are located on the call board as links.

**Please submit all forms by June 11th.**

**June Camp Calendars** – There are three detailed calendars available according to the times you will be at camp: All-Day, Half-Day A.M., and Half-Day P.M. Please stick to your calendar to avoid confusion. There are a lot of moving parts in June this year!

**Workshop Selections** – If your camper has not already selected the workshops they'd like to take, please make sure they fill out the form!

**Meal Order Forms** – The KidPower Leadership Team is selling lunch AND dinner this year as a fundraiser. Help them reach their fundraising goal—and make your life easier—by purchasing lunch and/or dinner for every day at camp.

**Rehearsal Bag Checklist** – This important checklist details everything your camper needs to have with them every day at camp, plus some extra tips & info.

**Merchandise Order Form and KidPower Store** – The KidPower Leadership Team is on fire with new merchandise, a new logo, and lots of things to make camp a special experience.

**Day-to-Day Policies** – Simply the rules and conduct guidelines at camp.

**Drop-Off and Pick-Up Video** – A helpful hint to prepare you for the organized whirlwind of arrival and departure.

**Late Pick-Up Policy** – We appreciate your help in valuing the staff and KidPower leaders' time.

**Volunteer Connection** – We love our volunteers! Your June Camp volunteers and your volunteer opportunities are introduced here. They're ready to help you!

### Communication Highway: REMIND APP

During the run of camp, you will receive information about costumes, attending the June 25 & 26 Production Showcase, and much more. KWC uses the REMIND system for text messaging updates. Your family's primary phone number in Campsite will be added to this system. You may opt out—we will also send information via e-mail—but we recommend receiving texts for your convenience and ease of communication.
