

## **Kids Who Care Class Rehearsal Bag Checklist**

- Script (if applicable)
- Water Bottle
- Pencils with eraser
- Journal/notebook
- Jacket or sweatshirt
- Hair ties
- Dance Shoes if applicable for class
- Deodorant
- Recording Device if needed in class
- Mask (Required)

**Script** – Some classes will use written material for monologues or an entire script that you will use throughout the semester. Make sure to take it home with you and bring it back the next week to class or rehearsals.

**Water Bottle** – Water fountains are currently closed in the building. We ask that you bring your own personal water bottle to classes.

**Jacket or Sweatshirt** – Removable. It gets cooler in some classes, so we ask that you bring another layer in case you get cold.

**Recording Device/App** – Performers may need to record music for class. We will also provide you with recordings for vocal and musical theatre classes which will be emailed in case you need an additional recording.

**Dance Shoes** – Please wear close-toed shoes to class and rehearsals. If you are taking a dance class, your teacher will provide details of what you'll need for class each week.
