**Clothing should be a direct reflection of your character's personality and appropriate for your onstage movement (dance, blocking, etc).** Please also remember that you are onstage and need to keep your appearance tidy; don't wear clothing that would be considered inappropriate.

**Accessories** - Belts, scarves, and ribbons can be worn at the waist. Do not wear flashy buckles that will distract the audience.

**Jewelry** – No jewelry, piercings, necklaces, or additional accessories.

**Hair and Make-up** – Please keep in mind that we want to see your beautiful faces, so hair should be worn off of the face and make-up should be simple and only used to enhance your natural features. Please provide your own brush, bobby pins, hairspray, make-up, sponges, etc., for performances. You may wear any variation of an up-do or use barrettes, headbands, scarves or ribbons to pull your hair back. Make sure that your hair is brushed and not falling in your face.
