Parking at the Airport:

Here is the link to their parking info: <http://www.dallas-lovefield.com/parking-transportation.html>

For parents parking and bringing in kids to drop off: Park in Parking Garage A for cheapest rates. You can park for up to one hour for free and up to two hours for \$6! I've attached a terminal map so you can see where to walk after you park.

For Parents that are planning to leave a car at the airport while we are out of town, here is info for long term parking at the airport! It costs \$12.95 a day I believe.

Once you have parked, please make your way to the Ticketing/Check In Area. Unlike DFW, it is a lot easier to find. Please see the terminal map I've attached in the email and on the callboard if you need further visual clarification. :-)
