

July Performing Arts Camp

Rehearsal Bag Checklist

- script
- water bottle
- pencils with eraser
- journal/notebook
- jacket or sweatshirt
- hair ties
- dance shoes
- deodorant
- a healthy snack/
snack card
- recording device/
app

Script—You will receive a script during camp. Make sure to take it home every night to study, then bring it back every day.

Water Bottle—Water fountains will be closed during camp. We will have water dispensers available to refill personal water bottles.

Jacket or Sweatshirt—Removable! It gets very cold in the theater and very hot outside. Layers!

Recording Device/App—Performers will be learning music very quickly and will need to study what we did in rehearsal at home. If you don't have a recording app on a phone, we will send a parent the audio files.

Dance Shoes—All those in any kind of performance focus will need dance shoes every day. Everyone else should wear comfortable shoes and clothing.
