

Seussical Libretto Cuts

Updates are in yellow.

Listed below are cuts in the show (sections we are not performing).

Please contact Operations Manager Pam Adair (pam@kidswhocare.org) with any questions.

All page numbers are referencing the libretto section of the script, not the music pages.

1. CUT: Page 10 from the top of the page until the Cat starts speaking. The show starts with the cat's lines.
2. CUT: On page 30, at the bottom of the page, beginning with the Cat's line "But guess who enters the story now?". On page 31, we start again with Mr. Mayor's "Meet a tiny Who family on a small rainy day."
3. CUT: From the beginning of the song "How Lucky You Are" on page 54 through the end of the song on page 56. On page 56, we will start again with Horton's line "That bird let that clover drop somewhere inside..."
4. CUT: From the beginning of page 65 to partway down the page, the line by the Boy "Act Two". That line will now be said by The Cat.
5. CUT: From the top of page 69 through page 72. On page 72, we will start again with Mayzie's Line "Good gracious! I've seen you before. Now let's see..."
6. ADD: On page 73, towards the bottom, after Horton's line "One hundred percent" add
"And I lost my poor Whos
And their whole tiny town
I couldn't protect them
And I let Jojo down"

The previous cut on page 79-81 is now back in!
