

Strike Assignments for Friday, May 18th

All students listed below should report to their team lead directly after they finish greeting people in the lobby and getting their stuff out of the dressing rooms. Once strike is finished, you may attend the Cast Party on the porch! If you have any questions, contact Hope (512) 618-2428.

This shouldn't take more than 25 minutes as long as everyone reports to work right after the show!
