To Whom It May Concern:

_____ and the Kids Who Care Resident Company have an exciting season of performances with the Fort Worth Symphony Orchestra coming up! A select group of actors will be performing Visions of America at the Bass Performance Hall with the symphony on **January 24th and 25th, 2018.**

Kids Who Care is a non-profit International Theatre Company that produces confident and creative kids through musical theatre education, performance, and leadership. Visions of America will be performed before thousands of students of all ages, and will afford your student a very rare learning opportunity.

Thank you for your consideration in dismissing this performer early from classes on **January 23rd** for rehearsal with the symphony, and excusing this performer's absence from all classes on **January 24th and 25th, 2018** for performances.

Please feel free to call me if you have any questions.

Hope Wilton
