

# Bring Your Group for a One-of-a-Kind Field Trip!

Teachers and Educators, We are here to make your 2018-2019 Field Trip planning an educational and inspirational treat! As a company that specializes in education in the arts, we know what a busy season you have in front of you, and would love to make your out of classroom learning experiences easy to plan, affordable, and most importantly, educational.

Kids Who Care would like to extend an invitation to your students, teachers, parents & staff to attend one of our school-day performances in the beautiful Scott Theatre in the Fort Worth Arts District. These field trips are available to an entire school or small groups such as a class, grade level, Student Council, Theatre Department, Choir, Odyssey of the Minds, or other selected groups. Kids Who Care is located in the Scott Theatre in the Fort Worth Cultural District.

**All bookings are on a first-come first-served basis, so book early to reserve your date and time.** Each school must make their own arrangements for bus transportation. If needed, Kids Who Care has a limited number of sponsored tickets for school as well as transportation reimbursements available. Please call with questions about this program.

We hope you and your students will be able to join us and enjoy the educational benefit of live theatre!

If you would like to book the Resident Company for your organization or event, please contact Kristen Thiebaud at 817-737-5437 or [kristen@kidswhocare.org](mailto:kristen@kidswhocare.org).

## A Radically Smart Original Musical!

Teachers booking this field trip will receive a study guide that integrates TEKS-focused curriculum, making this the perfect field trip that will be approved by any principal!

**Choices**, a Kids Who Care original musical, is a radical, smart, and funny show that examines how the paths we choose and decisions we make on a daily basis - from which coffee to order to deciding to speak up for someone else - shape our lives. This eye-opening show moves the audience through the hilariously ridiculous, the heartbreaking, the beautiful, the nerve-wracking, and finally, the completely inspired!
