Nondiscrimination Statement

We are a Musical Theatre Production Company, but with a name like Kids Who Care, we are obviously so much more. Through the combustion of musical theatre, entrepreneur leadership, and global caring, we produce creative thinkers who enrich their communities locally and around the world.

We are purposeful in seeking all kinds of people to ensure that we represent the full diversity of our community in our student body and leadership. Our programming serves kids ages 4 -18 without regard to socio-economic status, race, ethnicity, gender, sexual orientation, physical ability or language.
