

# ***Bring Your Students for a One-of-a-Kind Field Trip!***

Teachers and Educators, we are here to make your Field Trip planning an educational and inspirational treat! As a company that specializes in education in the arts, we know what a busy season you have in front of you, and would love to make your out of classroom learning experiences easy to plan, affordable, and most importantly, educational.

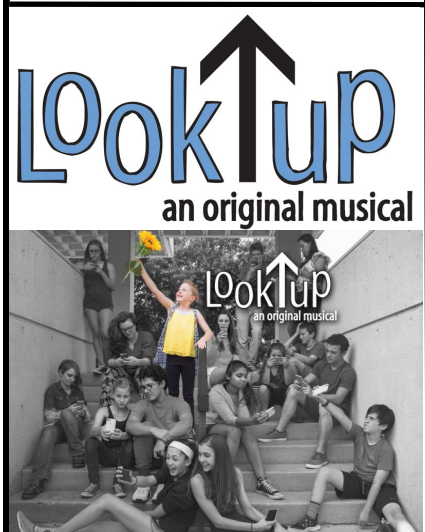

## **Tickets are only \$6 each**

All bookings are on a first-come first-served basis, so book early to reserve your date and time. Each school must make their own arrangements for bus transportation. If needed, Kids Who Care has a limited number of sponsored tickets for schools as well as transportation reimbursements available. Please call with questions about this program.

We hope you and your students will be able to join us and enjoy the educational benefit of live theatre.

If you have questions about bringing your students for these events please contact Kristen Thiebaud at 817-737-5437 or [kristen@kidswhocare.org](mailto:kristen@kidswhocare.org).

## ***2020 Field Trip Dates***

 A blue stage curtain with a bright light shining through the center.	<b>Friday, June 26th</b>  10:30 am	This Tony Award-winning musical is an inspiring story about imagination and changing your own destiny. Full of dazzling dance numbers and infectious music, you won't want to miss this show!
 The title 'Look Up' in a stylized font with an upward-pointing arrow above the 'u' in 'Up'. Below it, 'an original musical'. A black and white photo of a group of children sitting on stairs, some holding signs that say 'Look Up'.	<b>Friday, July 31st</b>  10:30 am	Kids Who Care's newest original musical, Look Up, was born when our kids complained that they were texting each other when even in the same room. When teenagers tell you that their lives are too consumed with technology, then we know it is time to <b><i>'Look Up!'</i></b> Look Up is a hilarious and insightful musical about our ravenous appetite for technology and the need to be connected, heard, and loved.
